

Instructional Technology Committee

March 3, 2014

Agenda

Mission Statement

To encourage and support the adoption of technology that will make instruction more accessible, affordable, and engaging.

1. Using a blog in instruction demo - Wendy
2. Committee Bylaws – Looking at examples and discussion – Rough draft of bylaws by April's meeting
3. Recording Secretary – Meeting Minutes to Rory
4. Promotional Campaign – Have any iPads been returned to IT? When can we plan for the next rollout?
5. Discussion about how we are doing in using mobile technology in instruction compared to other colleges. What are the benefits for keeping the mobile initiative fresh?
