## Adding/Registering for Classes

Adding classes may result in additional tuition and fees. You are responsible for your full tuition and fees by the quarter's fee due date. Students registering after the due date must pay full tuition and fees within 2 business days. Failure to pay full tuition and fees may result in all classes being dropped for non-payment.

## Dropping/Withdrawing from Classes

If you receive financial aid, veterans' benefits, or other tuition assistance, it is recommended you check with your funding office to find out how this may affect your financial assistance and eligibility.

#### **Tuition & Fee Updates**

Changes to your schedule may result in additional tuition and fees or refund. Please allow 24 hours for the system to recalculate your tuition and fees after your request is processed. You may view your account balance in your ctcLink Student Homepage under Financial Account.

### Refunds

All refunds must be reviewed. Please allow 2-3 weeks for processing.
